

## **India's Biggest Skill Competition - IndiaSkills 2021 National commences today in New Delhi**

- The competitions will be held at multiple locations in the National Capital Region (NCR) under Covid-19 protocols mandated by local authorities and the state government
- *The three-day competition will have 500+ participants from 26 states/ union territories*
- *The winners of IndiaSkills Nationals will get an opportunity to represent India at the WorldSkills International Competition to be held in Shanghai, China in October 2022*

**New Delhi, 6 January 2022:** The national competition of IndiaSkills 2021, organised by National Skill Development Corporation (NSDC), the nodal agency for skill and entrepreneurship development, working under the guidance of the Ministry of Skill Development and Entrepreneurship (MSDE), commenced today at Talkatora Indoor Stadium, New Delhi. The closed-door event will witness participants from 26 states/ union territories competing in more than 50 skills such as car painting, patisserie and confectionery, welding, additive manufacturing, cyber security, floristry, among others.

The competitions will be held at multiple locations, including Pragati Maidan, from 7 to 9 January under Covid-19 protocols mandated by local authorities and the state government. Additionally, all safety protocols are being followed including no entry for visitors/ spectators, adequate social distancing, and frequent sanitization of the competition premises. To further disperse the participants, the competitions for eight skills were conducted in Bengaluru and Mumbai from 3 to 5 January. The winners of all skill competitions will be felicitated in New Delhi on 10 January.

**Shri Rajesh Aggarwal, Secretary, Ministry of Skill Development and Entrepreneurship** said, “*IndiaSkills Competition instills confidence and hope by providing means to the youth to pursue their passion. The competition highlights India’s capabilities to the world and facilitates learning and exposure on a global platform. The introduction of seven new-age skills to this year’s IndiaSkills showcases our effort to keep pace with emerging technologies of the 21st century. My best wishes to all the participating candidates, and many compliments for making it to the Nationals. It is an honor to witness the hard work and determination of young people who will enable Hon’ble Prime Minister’s vision of making ‘India the Skill capital of the World’. I would also like to congratulate NSDC, Sector Skill Councils, Partner Institutes and all stakeholders for their invaluable contribution to the competition.*”

**Ved Mani Tiwari, Chief Operating Officer, NSDC** said, “*IndiaSkills Competition aims to create a pool of talented and skilled workforce, who will fuel the economic growth of the country in the future. The competition offers a national platform to the youth and exposure to global training standards. It is a step towards discovering the power of skills and making vocational training aspirational for the youth. The success of IndiaSkills is a collective effort of jury, experts, trainers, Sector Skill Councils, Partner Institutes and states who support NSDC in executing the country’s biggest skill competition.*”

The launch was graced by the august presence of Shri Rajesh Aggarwal, Secretary, Ministry of Skill Development and Entrepreneurship, Government of India; Shri Atul Kumar Tiwari, Additional Secretary, Ministry of Skill Development Entrepreneurship, Government of India; Shri Ved Mani Tiwari, Chief

Operating Officer and Officiating Chief Executive Officer, National Skill Development Corporation; Mr. Subroto Bagchi, Chairman Odisha Skill Development Authority and co-founder of Mindtree; and Dr. Nirmaljeet Singh Kalsi, Chairperson, National Council for Vocational Education and Training.

### **Highlights of IndiaSkills 2021 National Competition**

#### **a. Abilympics – Skill Demonstration by Persons with Disabilities**

IndiaSkills 2021 National Competition will also feature Abilympics, a demonstration of skills by Persons with Disabilities (PwDs), in 16 skills including computer programming, painting, embroidery, and poster designing. With such participation, IndiaSkills has the potential to reach the grass-root level and is a major step towards bridging the gap between the demand and supply of a skilled workforce.

#### **b. Demonstration Skills**

IndiaSkills 2021 is introducing three new skills – Yoga, Shoe Making (Leather) and Garment Making (Leather) which will be exhibited to showcase opportunities for candidates in these trades.

#### **c. New-Age Skills**

Seven new-age skills--robot systems integration, additive manufacturing, digital construction, industry 4.0, renewable energy, mobile applications development and industrial design technology--have been introduced to this year's competition, keeping pace with emerging technologies.

#### **d. Industry supporting IndiaSkills**

The event has received tremendous response from the industry supporting infrastructure, experts and equipment for the skill training of candidates during workshops, bootcamps and during the competitions. The partnering institutions include Maruti Suzuki, Larsen & Toubro, Festo India, Hotel Leela, Toyota India, CBIP, Concept Mahindra, Academy of Pastry & Culinary Arts, Government Tool Room & Training Centre (GTTC), Karnataka German Technical Training Institutes (KGTTI) and Indian Machine Tool Manufacturers' Association (IMTMA), Bengaluru, ICT Center of Excellence, Mumbai, IndiaTV News, Playtonia among others.

#### **e. Journey from IndiaSkills to WorldSkills**

IndiaSkills 2021 National Competition is being conducted following four Regional Competitions that were held in East (Patna), West (Gandhinagar), North (Chandigarh) and South (Visakhapatnam) during October–December. Participants for regionals were selected through competitions organised at the district and state levels between August and September 2021, which recorded over 250,000 registrations.

The winners of IndiaSkills 2021 National Competition will undergo rigorous training to represent India at WorldSkills Shanghai, China to be held in October 2022.

The winners of IndiaSkills Nationals will get multi-level industry training through boot camps and programmes such as project-based training, industry and corporate training, exposure visits to industries,

mind coaching, and personality development. NSDC, through its Sector Skill Councils (SSCs) and Partner Institutes, trains the candidates for the competitions and for future endeavors.

#### **About National Skill Development Corporation**

National Skill Development Corporation (NSDC), under the Ministry of Skill Development & Entrepreneurship (MSDE), Government of India, is a unique Public Private Partnership (PPP) that aims to catalyse the creation of quality vocational training ecosystem in India. Since inception in 2010, NSDC has trained over 3 crore people through its collaboration with 600+ training partners and over 11,000 training centres spread across 600+ districts in the country. NSDC has established 36 Sector Skill Councils (SSCs) and implements the Government's flagship skill development schemes such as Pradhan Mantri Kaushal Vikas Yojana (PMKSY), Pradhan Mantri Kaushal Kendra (PMKK), National Apprenticeship Promotion Scheme (NAPS), among others.

#### **About IndiaSkills Competition**

NSDC, with the guidance of MSDE, leads and organises IndiaSkills Competitions every two years at the regional and national levels. Skilled youth from various states/ UTs compete in their respective skills. The winners of IndiaSkills undergo training and participate in several development programs for a year to prepare for WorldSkills. NSDC aims to enrich the lives of the youth and empower them through IndiaSkills.

#### **About WorldSkills Competition**

Founded in 1950, WorldSkills International is the global hub for skills excellence and development. WorldSkills brings youth, industries, and educators together to give youth the chance to compete, experience, and learn how to become the best in their skill of choice. From traditional trades to multi-skilled technology careers in the industry and service sectors, supported by partners, industries, governments, volunteers, and educational institutions, WorldSkills' vision is to improve the world through the power of skills. It has 85 member countries and regions, all working with youth, educators, governments, and industries to help prepare the workforce and talent of today for the jobs of the future.
